Certificate of Manufacture/Origin

Deep Sea Electronics is one of the world's leading manufacturers of generator controllers, auto transfer switch controllers, battery chargers and vehicle & off-highway controllers.

This letter has been written to confirm that Constant Power Solutions are using generator controllers and battery chargers manufactured by Deep Sea Electronics PLC at their site in Hunmanby, North Yorkshire, England.

Deep Sea Electronics PLC manufacture all their products in one place, the United Kingdom. Our manufacturing facilities, consistent quality, safety standards and detailed processes guarantee premium products for use worldwide.

Signed

A handwritten signature in black ink, appearing to read 'Matt Watson', with a long horizontal line extending to the right.
